

Model:	AARON	Protection Class:	OB E FO SR
Article:	US20229	EU Regulations:	EN ISO 20347:2022+A1:2024

DESCRIPTION

The Aaron professional shoe is designed for the Horeca sector, combining comfort, safety and style. The breathable mesh upper with a TPU detail on the heel, along with the breathable lining, keeps the foot fresh throughout the day. The U-Power MEMORY FOAM insole provides optimal cushioning. The EVA and black rubber sole offers durability and flexibility. Compliant with the EN 20347:2022 standard and classified OB E FO SR, Aaron ensures grip on slippery surfaces, oil resistance, and shock absorption. Ideal for everyday use, both at work and in leisure time.

UPPER
