

Model: **AERATOR**

Protection Class: **S1P SRC ESD**

Article: **RI20056**

EU Regulations: **EN ISO 20345:2011**

DESCRIPTION

Summer safety shoes with upper in soft perforated suede and mesh inserts and WingTex inner lining with air channels that ensures high breathability and comfort.

The WOW2 insole, composed of a self-modelling arched insole structure and an anti-fatigue insert, ensures long-lasting well-being and proper cushioning and distribution of body weight.

Aerator is a low-cut work shoe style in standard protection S1P SRC ESD. Safety is guaranteed by the AirToe Composite toe cap and by the totally "Metal Free" anti-perforation system which protect the front and 100% of the sole of the foot.

Sports safety shoes with anti-slip, oil-resistant, abrasion-resistant and anti-static PU/PU sole suitable for both men and women working in the following fields: construction sites, transport and logistics, gardeners and farmers, mechanics and tyre repairers, craftsmen, carpenters, electricians, plumbers, painters, gas station operators, process workers.
