## DESCRIPTION

Low-cut safety shoes with upper in smooth grain leather. Composite toecap and Save & Flex Plus anti-perforation system that guarantee the highest level of protection for the toe and sole of the foot.

Water repellent safety shoes with cold weather sole protection (for temp.  $\leq 10$  °C.).

Comfort is guaranteed by the ultra-breathable WingTex air tunnel lining and the New ErgoDry insole designed to follow the contours of the foot. The insole is also washable, breathable, non-slip, anti-scuff, anti-bacterial and anti-static.

Fully "Metal Free" low-cut work shoes suitable for wet, cold environments and, especially, for: the automotive, mechanical engineering, logistics sectors and haulage, paper mill workers, craftsmen, electricians, carpenters, and warehouse workers.

Billie is safety footwear for both men and women.
