

Model: **BILLIE s ESD**

Protection Class: **S3S CI FO SR**

Article: **RK20094**

EU Regulations: **EN ISO 20345:2022**

DESCRIPTION

Low-cut safety shoes with upper in smooth grain leather. Composite toecap and Save & Flex Plus anti-perforation system that guarantee the highest level of protection for the toe and sole of the foot.

Water repellent safety shoes with S3S CI FO SR protection standard and cold weather sole protection (for temp. ≤ 10 °C.).

Comfort is guaranteed by the ultra-breathable WingTex air tunnel lining and the New ErgoDry insole designed to follow the contours of the foot. The insole is also washable, breathable, non-slip, anti-scuff, anti-bacterial and anti-static.

Fully "Metal Free" low-cut work shoes suitable for wet, cold environments and, especially, for: the automotive, mechanical engineering, logistics sectors and haulage, paper mill workers, craftsmen, electricians, carpenters, and warehouse workers.

Billie is safety footwear for both men and women.
