## DESCRIPTION

Men's safety footwears with highly abrasion-resistant, breathable and water repellent upper in Putek® Plus.

Safety shoes with "Metal Free" anti-perforation system sewn directly on the upper and Airtoe Composite toe cap for complete protection of the sole and toe.

Anti-slip work shoes, with oil-resistant, anti-static and abrasion-resistant sole with special protection from the cold (at temp.  $\leq 10^{\circ}\text{C}$ .).

Comfortable and lightweight work shoes with WOW2 anatomical insole that reduces body stress, thanks to the combination of the self-modelling arched insole structure and the anti-fatigue insert, improving the feeling of comfort and well-being.

Safety shoes ideal for: gas station operators, mechanics and tyre repairers, farmers and gardeners, transport and logistics, construction sites and builders, craftsmen, carpenters, electricians, plumbers, painters, workers.
