

**Model:** BRUCE s ESD

**Protection Class:** S1PS FO SR

**Article:** RV20026

**EU Regulations:** EN ISO 20345:2022

## DESCRIPTION

Bruce is the super light safety shoe style with a breathable Nylon upper and abrasion-resistant scuff cap on the toe. Summer safety shoes with an innovative sole made with a new generation ultra-light PU compound, which significantly reduces the overall weight of the shoe.

The shoe is lighter than ever thanks to the use of an ultra-light perforation-resistant system to protect the sole of the foot and AirToe Aluminium toecap.

Comfort and prolonged wellness are guaranteed by the presence of the anatomical U-Power Original in light polyurethane compound, antibacterial and breathable, and the WingTex air tunnel lining that ensures high breathability and foot health.

Safety shoes for men and women with non-slip, abrasion-resistant, oil-resistant and anti-static protection soles.

Safety footwear ideal for: warehouse workers, transport & logistics, electricians, carpenters and craftsmen in general.
