

Model: COSMO

Protection Class: S3 HRO HI SRC CI

Article: RL10524

EU Regulations: EN ISO 20345:2011 CE

DESCRIPTION

Safety boots in soft, hard-wearing, water repellent, Pull-up leather with PU-reinforced scuff cap, double lace and Kevlar® DuPont™ stitching that ensure outstanding mechanical resistance to traction and heat.

Safety footwear in protection class S3 HRO HI CI SRC with special insulation against heat and cold.

The sole in PU/Vibram is particularly suited for use on treacherous surfaces and uneven ground, improving stability and grip.

Aluminium AirToe toe cap to protect the tip of the foot and Save & Flex® PLUS, all-fabric, anti-puncture system stitched directly onto the upper for total coverage of the surface of the foot.

Comfort is guaranteed by the WOW insole, an anatomic insole in soft, breathable, anti-bacterial polyurethane whilst the Infinergy® system ensures over 55% of energy is returned with each step. The WingTex air tunnel inner lining ensures breathability and dispersion of moisture.

UPPER

Water repellent, Pull-up leather

LINING

WingTex breathable air tunnel

SAFETY TOE CAP

AirToe Aluminium

PIERCE-RESISTANCE

Save & Flex PLUS®, anti-puncture, "no metal" fabric insole

FOOTBED

U-POWER original
