

Model: **DEMON s ESD**

Protection Class:

S1PS FO SR

Article: **RI20066**

EU Regulations:

EN ISO 20345:2022

DESCRIPTION

Safety footwear with Airtoe Composite toe cap and Save & Flex Plus anti-perforation system for complete protection of the toe and sole.

Low-cut, ultra-breathable work shoes with upper in nylon, inserts in soft suede and WingTex inner air tunnel lining, ideal in the warmer months.

Comfort is guaranteed by the WOW2 insole consisting of a self-modelling arched insole structure and an anti-fatigue insert capable of distributing body stress and improving balance and stability, significantly increasing the perception of well-being.

Anti-static safety shoes with oil-resistant, anti-slip and abrasion-resistant sole.

Comfortable and lightweight work shoes for men and women that are well suited to be used in various working environments such as: transport & logistics, construction sites and builders, craftsmen, carpenters, electricians, plumbers, painters, process workers, gas station operators, gardeners and farmers, mechanics and tyre repairers.
