

Model:	FERRAN	Protection Class:	OB E FO SR
Article:	US20249	EU Regulations:	EN ISO 20347:2022+A1:2024

DESCRIPTION

Ferran is the U-Power shoe designed for daily use, both at work and in leisure time. The U-KNIT elasticized upper, combined with a breathable lining, ensures comfort and ventilation. The U-Power MEMORY FOAM insole provides exceptional cushioning. The EVA and black rubber sole guarantees resistance and flexibility. Compliant with EN 20347:2022 standards and classified OB E FO SR, Ferran offers traction on slippery surfaces, resistance to oils, and shock absorption. Perfect for the Horeca sector.
