

Model:	JOAN	Protection Class:	OB E FO SR
Article:	US20239	EU Regulations:	EN ISO 20347:2022+A1:2024

DESCRIPTION

The Joan professional shoe, perfect for the Horeca sector, combines style and functionality. The VEGAN leather microfiber upper, lined with a breathable lining, ensures elegance and comfort. The U-Power MEMORY FOAM insole provides superior cushioning. The white EVA and black rubber sole offers resistance and flexibility. Compliant with the EN 20347:2022 standard and classified OB E FO SR, Joan provides grip on slippery surfaces, oil resistance, and shock absorption. Ideal for daily use, both at work and in leisure time.
