<b>Article:</b>	<b>US20409</b>	<b>EU Regulations:</b>	<b>EN ISO 20347:2022+A1:2024</b>

## DESCRIPTION

The Joel professional shoe, perfect for the Horeca sector, combines comfort, safety, and a modern design. The upper is made of nylon mesh with laser-cut detailing and features a breathable inner lining. The Infinergy® sole with black rubber ensures durability and excellent cushioning. Joel is compliant with the EN 20347:2022 standard and classified OB E FO SR, offering grip on slippery surfaces, oil resistance, and shock absorption. Ideal for everyday use, both for work and leisure.
