## DESCRIPTION

U-Power safety shoes from the RedLion® range, totally “metal free”, ESD, with AirToe composite toe cap and Save & Flex PLUS anti-perforation system, designed to guarantee long-lasting comfort for your feet.

Lightweight, comfortable, water-repellent and ultra-breathable with New Safe Dry upper to ensure maximum long-term comfort throughout the working day.

These new U-Power work shoes are low-cut, white with no laces and ensure comfort and lightness thanks to the innovative Infinergy® system, U-Power Original footbed cover and PU/PU foam sole.

The Kyle style is a U-Power safety shoe with a compact PU tread which provides adherence, safety and stability for the posture. This footwear meets S3S FO SR safety standards and is suitable for use in chemical environments.
