

Model:	MADRID	Protection Class:	S2 SRC ESD
Article:	RI21052	EU Regulations:	EN ISO 20345:2011

DESCRIPTION

Safety shoes without laces with water repellent and breathable New Safety Dry upper. White work shoes with anti-slip, anti-static, oil-resistant, abrasion-resistant PU/PU sole and lightweight Airtoe Composite toe cap weighing only 50 gr. Madrid is an extremely comfortable and breathable S2 SRC ESD safety shoe thanks to its WingTex air tunnel lining. The WOW2 insole also ensures long-lasting well-being and comfort thanks to its self-modelling properties and the anti-fatigue insert which significantly reduces body stress and improves stability and balance. Work shoes for women and men, ideal for various work areas and, in particular, for the food, nursing and health industries.
