

Model: **MISTRAL**

Protection Class:

S1P SRC ESD

Article: **RI50086**

EU Regulations:

EN ISO 20345:2011

DESCRIPTION

Lightweight and comfortable work shoes with upper in soft perforated suede and mesh inserts. Safety shoes without laces with two eyelets at the level of the instep and at the back to make the fit easier.

Greater comfort thanks to the anatomical, self-modelling insole and enriched by an anti-fatigue insert that absorbs shocks and improves stability and balance. The WOW2 insole reduces body stress by increasing the feeling of well-being and comfort.

Breathable work footwear with WingTex lining with air channels and anti-static, oil-resistant, anti-slip and abrasion-resistant sole. Ideal for both men and women.

Safety footwear in standard protection S1P SRC ESD with Airtoe composite toe cap and "No Metal" Save & Flex Plus anti-perforation system, ideal for the following sectors: transport and logistics, gardening and farmers, mechanics and tyre repairers, craftsmen, carpenters, electricians, plumbers, painters, gas station operators, workers, builders.
