DESCRIPTION

Mojave UK is a safety work shoe which complies with sustainability criteria, produced to reduce CO2 emissions starting from renewable sources.

Eco-friendly safety shoes with S3 SRC CI ESD standard protection, featuring an ultra-light AirToe Composite toecap to protect the toes and front part of the foot with a reinforcement. Safety is increased by the eco-friendly Save&Flex plus anti-perforation system which is totally metal free, produced with 59% recycled materials.

Mojave UK are S3 safety shoes with a soft micro-fibre upper and a high percentage of recycled material.

Highly breathable, low-cut, comfortable safety shoes thanks to the WingTex® Green breathable air tunnel lining made of 66% recycled materials which ensure maximum comfort and well-being for the feet.

Comfort is also ensured by the anatomic, antibacterial, anti-static and self-moulding WOW2 Green insole made of PU by BASF.

The sole of this eco-friendly work shoe obtained from renewable sources is made of 100% PU by BASF and is abrasion-resistant, oil-resistant, non-slip and anti-static.

Mojave UK is the ideal work shoe for the following areas of use: industry, logistics, automotive and assembly lines.
