

Model: OSLO s ESD Protection Class: S1PS FO SR

Article: 0RI21136 EU Regulations: EN ISO 20345:2022

DESCRIPTION

Safety shoes without laces with upper in soft suede and velcro strap.

Work shoes with Airtoe Composite toe cap and Save & Flex Plus totally W "No Metal" anti-perforation system, which guarantee safety and protection of the toe and sole of the foot.

Lightweight and comfortable safety shoes with self-modelling insole and WOW2 anti-fatigue insert that improves balance and stability, reducing body stress and improving the perception of comfort and well-being.

Safety footwear with anti-slip, oil-resistant, anti-static and abrasion-resistant soles, ideal for various work environments, such as: craftsmen, carpenters, electricians, plumbers, painters, workers, gas station operators, mechanics and tyre repairers, farmers and gardeners, transport and logistics, building sites and builders.

Work shoes for both men and women.
