

Model: **PARIGI s ESD**

Protection Class:

S3S FO SR CI

Article: **RI21044**

EU Regulations:

EN ISO 20345:2022

DESCRIPTION

Safety shoes in water repellent grained leather and inner lining with air channels for optimal breathability and long-lasting comfort.

Comfort is also ensured by the WOW2 insole with anti-fatigue insert which guarantees balance, stability and reduction of body stress with a greater feeling of well-being throughout the working day.

Low-cut safety shoes with anti-slip, oil-resistant, anti-static and abrasion-resistant soles with special protection of the sole from the cold (at temp. $\leq 10^{\circ}\text{C}$).

Work shoes with lightweight Airtoe Composite toe cap and Save & Flex Plus anti-perforation system against the risk of injury from falling weights or perforation of the sole.

Safety shoes for both men and women suitable for: transport and logistics, gardeners and farmers, mechanics and tyre repairers, process workers, builders, craftsmen, carpenters, electricians, plumbers, painters, gas station operators.
