

Model: **PETER s ESD**

Protection Class: **S3S FO SR CI**

Article: **RV20044**

EU Regulations: **EN ISO 20345:2022**

DESCRIPTION

Low-heeled safety shoes with PUTEK® star upper and toe protection with abrasion-resistant scuff cap. Ultra-light work shoes highly resistant to abrasion and with particular protection of the sole from the cold. These non-slip shoes with anti-static, oil-resistant and abrasion-resistant soles are fitted with a tread made with a particular super-light new generation PU compound that considerably reduces the overall weight of the shoe. The AirToe Aluminium toecap and the new ultra-light puncture-resistant textile insole, ensure protection of toe and sole of the foot while preserving the lightness of the shoe. Well-being and comfort are ensured by the presence of the breathable U-Power Original insole in light polyurethane compound, while breathability is increased by the Wingtex air tunnel lining which guarantees air circulation and moisture absorption. Safety footwear suitable for: craftsmen in general, electricians, carpenters, warehouse workers, and the transport and logistics sector.

UPPER

PUTEK® star and abrasion-resistant scuff cap to protect the tip

LINING

Wingtex® with breathable air tunnel

SAFETY TOE CAP

AirToe Aluminium

PIERCE-RESISTANCE

Save & Flex Air

FOOTBED

U-Power Original

INTERSOLE

Soft, expanded PU

SOLE

Abrasion-resistant, oil-resistant, non-slip and anti-static in a new generation PU compound

FIT

Natural Confort 11 Mondopoint

SIZE

35-48 (UK: 2-13)
