

**Model:** **RADIAL**

**Protection Class:**

**S1P SRC ESD**

**Article:** **RI20026**

**EU Regulations:**

**EN ISO 20345:2011**

## DESCRIPTION

Safety shoes for both men and women with upper in soft perforated suede and mesh inserts. Anti-slip safety shoes with oil-resistant, abrasion-resistant and anti-static sole.

Safety guaranteed by the Airtoe Composite toe cap and the Save & Flex plus anti-perforation system which ensure protection to the toe and the surface of the entire sole of the foot.

Comfortable and lightweight safety footwear with internal lining with air channels for better breathability and WOW2 insole, composed of a self-modelling arched insole structure and an anti-fatigue insert which ensures cushioning of stress and uniform distribution of body weight.

Work shoes in standard protection S1P SRC ESD, ideal for: builders and building sites, electricians, plumbers, painters, carpenters and craftsmen, gas station operators, process workers, transport and logistics, warehouse workers, mechanics and tyre repairers, gardeners and farmers.
