

**Model:** REFLEX

**Protection Class:** S1P SRC ESD

**Article:** RI20036

**EU Regulations:** EN ISO 20345:2011

### DESCRIPTION

Lightweight safety shoes with upper in soft perforated suede and mesh inserts and WingTex inner lining with air channels for greater breathability.

Reflex is a style of low-cut work shoes with a composite toe cap and a Save & Flex Plus anti-perforation system in fabric directly sewn onto the upper for 100% protection of the sole of the foot.

Safety shoes in S1P SRC ESD standard protection with PU/PU sole with abrasion-resistance, oil-resistant, anti-slip and anti-static protection.

Comfortable safety footwear with WOW2 anatomic insole with anti-fatigue effect consisting of a self-modelling arch-shaped structure and an insert capable of relieving body stress, ideal when you have to work standing up for a long time. Work shoes suitable for builders, electricians, plumbers, gardeners and farmers, painters, mechanics and tyre repairers, transport and logistics, warehouse workers, carpenters, joiners, process workers, gas station operators and craftsmen.
