

Model:	RIO	Protection Class:	S1P SRC ESD
Article:	RI21116	EU Regulations:	EN ISO 20345:2011

DESCRIPTION

Low-cut safety shoes with ultra-breathable mesh upper and soft suede inserts.
 Anti-static safety footwear with anti-slip, abrasion-resistant and oil-resistant soles.
 Comfort and well-being are ensured by the WingTex air tunnel lining and by the anatomical, self-modelling WOW2 insole with anti-fatigue insert, able to distribute body stress and improve balance and stability.
 Work shoes in standard protection S1P SRC ESD with lightweight Airtoe Composite toe cap and Save & Flex Plus anti-perforation system, which guarantee protection of the toe and sole.
 Safety shoes for both women and men, well suited for use in different areas and in particular for: craftsmen, carpenters, electricians, plumbers, painters, builders and construction sites, process workers, gas station operators, transport & logistics, gardeners and farmers, mechanics and tyre repairers.
