

Model: **RYAN s ESD**

Protection Class:

S3S FO SR CI

Article: **0RV20304**

EU Regulations:

EN ISO 20345:2022

DESCRIPTION

Low-cut safety shoes with special protection of the sole from the cold (At temp. $\leq 10^{\circ}\text{C}.$), ideal for damp environments and cold climates.

Super light safety footwear with water repellent, innovative, Nubuck-effect microfibre upper in ultra-light latest-generation PU mix which significantly reduces the weight of the footwear while ensuring maximum grip and adherence. Non-slip, anti-abrasion, anti-oil and antistatic sole.

The all-fabric Save & Flex Air anti-perforation system and AirToe Aluminium toe cap guarantee protection of the foot while the inner U-Power Original insole with antibacterial, anatomic and self-modelling properties, together with the WingTex air tunnel ultra-breathable lining ensure healthy feet and prolonged comfort.

Safety shoes for electricians, carpenters, artisans, warehouse workers, transport & logistics with sizes from 35 to 48, suitable for both men and women.
