

Model: RYAN

Protection Class: S3 SRC CI ESD

Article: RV20304

EU Regulations: EN ISO 20345:2011

DESCRIPTION

S3 CI SRC ESD standard protection low-cut safety shoes with special protection of the sole from the cold (At temp. ≤ 10 °C.), ideal for damp environments and cold climates.

Super light safety footwear with water repellent, innovative, Nubuck-effect microfibre upper in ultra-light latest-generation PU mix which significantly reduces the weight of the footwear while ensuring maximum grip and adherence. Non-slip, anti-abrasion, anti-oil and antistatic sole.

The all-fabric Save & Flex Air anti-perforation system and AirToe Aluminium toe cap guarantee protection of the foot while the inner U-Power Original insole with antibacterial, anatomic and self-modelling properties, together with the WingTex air tunnel ultra-breathable lining ensure healthy feet and prolonged comfort.

Safety shoes for electricians, carpenters, artisans, warehouse workers, transport & logistics with sizes from 35 to 48, suitable for both men and women.
