

**Model:** RYAN s ESD

**Protection Class:** S3S FO SR CI

**Article:** RV20304

**EU Regulations:** EN ISO 20345:2022

### DESCRIPTION

Low-cut safety shoes with special protection of the sole from the cold (At temp.  $\leq 10$  °C.), ideal for damp environments and cold climates.

Super light safety footwear with water repellent , innovative, Nubuck-effect microfibre upper in ultra-light latest-generation PU mix which significantly reduces the weight of the footwear while ensuring maximum grip and adherence. Non-slip, anti-abrasion, anti-oil and antistatic sole.

The all-fabric Save & Flex Air anti-perforation system and AirToe Aluminium toe cap guarantee protection of the foot while the inner U-Power Original insole with antibacterial, anatomic and self-modelling properties, together with the WingTex air tunnel ultra-breathable lining ensure healthy feet and prolonged comfort.

Safety shoes for electricians, carpenters, artisans, warehouse workers, transport & logistics with sizes from 35 to 48, suitable for both men and women.
