## DESCRIPTION

Work sandals with upper in soft tumbled nubuck leather.

Summer safety shoes with Airtoe Composite toe cap and "Metal Free" Save & Flex Plus anti-perforation system for protection of the toe and sole.

Men's work sandals, also suitable for women, with anti-slip, anti-static, oil-resistant, abrasion-resistant, PU/PU sole.

This style is a summer work shoe, lightweight and breathable, which ensures comfort and long-lasting well-being thanks to its WOW2 insole which, thanks to the combination of the self-modelling arched insole structure and the anti-fatigue insert, reduces body stress and improves stability and balance, while the highly breathable inner lining with air tunnel ensures foot health.

Scandy is a safety sandal suitable for various working environments and, in particular, for: building and construction sector, transport and logistics, gardening and agriculture, gas station operators, craftsmen and workers, electricians, plumbers, carpenters, mechanics and tyre repairers.
