

Model: **SCURO s ESD**

Protection Class: **S3S FO SR CI**

Article: **RI10164**

EU Regulations: **EN ISO 20345:2022**

DESCRIPTION

Men's safety shoes, also suitable for women, with water repellent upper in tumbled grain leather. Safety is guaranteed by the Save & Flex Plus anti-perforation insole in fabric and sewn directly on the upper, the Airtoe composite toe cap and the anti-slip, oil-resistant, anti-static and abrasion-resistant PU/PU sole. High-cut work shoes with a high level of comfort thanks to the WingTex air tunnel lining which ensures breathability to the shoe and the presence of the WOW2 insole made up of a self-modelling arched insole structure and an anti-fatigue insert with effects of greater balance, stability and perception of long-lasting well-being throughout the working day. The special protection of the sole from the cold (at temp. ≤ 10 °C.) makes Scuro ideal as a shoe style for farmers, gardener, process workers, electricians, plumbers, carpenters, painters, gas station operators, mechanics, tyre repairers, transport and logistics.

UPPER

Soft tumbled grain leather, water repellent
