

Model: **TENERIFE**

Protection Class:

RS S3 HRO SRC CI

Article: **RI11314**

EU Regulations:

EN ISO 20345:2011

DESCRIPTION

Water repellent safety shoes with grained leather upper, ideal in the oil sector, mines and in cold weather conditions. Safety footwear with quick release strap in standard protection RS S3 HRO HI SRC CI with Vibram, anti-slip, oil-resistant, anti-static sole with special protection from the cold (at temp. $\leq 10^{\circ}\text{C}$).

Safety is guaranteed by the lightweight Airtoe Composite toe cap and by the totally "Metal Free" Save & Flex Plus anti-perforation system which guarantees 100% protection of the surface of the foot.

Comfortable safety shoes with WOW2 anatomical insole consisting of an arched insole structure and an anti-fatigue insert capable of reducing body stress and ensuring greater stability and balance with a beneficial effect on the whole body and a perception of long-lasting well-being.

Breathable work shoes with air tunnel lining that guarantees high breathability and foot health.
