

Model: **TENERIFE s**

Protection Class: **S3S HRO HI FO SR CI**

Article: **RI11314**

EU Regulations: **EN ISO 20345:2022**

DESCRIPTION

Water repellent safety shoes with grained leather upper, ideal in the oil sector, mines and in cold weather conditions. Safety footwear with quick release strap with Vibram, anti-slip, oil-resistant, anti-static sole with special protection from the cold (at temp. ≤ 10 °C.).

Safety is guaranteed by the lightweight Airtoe Composite toe cap and by the totally “Metal Free” Save & Flex Plus anti-perforation system which guarantees 100% protection of the surface of the foot.

Comfortable safety shoes with WOW2 anatomical insole consisting of an arched insole structure and an anti-fatigue insert capable of reducing body stress and ensuring greater stability and balance with a beneficial effect on the whole body and a perception of long-lasting well-being.

Breathable work shoes with air tunnel lining that guarantees high breathability and foot health.
