

Model: **VORTIX** **Protection Class:** **S1P SRC ESD**
Article: **RI20666** **EU Regulations:** **EN ISO 20345:2011**

DESCRIPTION

Lightweight and comfortable safety shoes with upper in soft perforated suede and mesh inserts. Contrasting yellow side bands and strings and inner lining with air channels for increased breathability and long-lasting comfort. Anti-slip safety footwear with oil-resistant, abrasion-resistant and anti-static sole. Vortex is a style of low-cut work shoes that ensure well-being throughout the day thanks to the WOW2 self-modelling insole with anti-fatigue insert that reduces body stress and ensures correct distribution of body weight. Safety footwear in standard protection S1P SRC ESD with AirToe Composite toe cap and “No Metal” Save & Flex Plus anti-perforation system sewn directly onto the upper. Work shoes for both men and women ideal for transport and logistics, craftsmen and women, builders, electricians, plumbers, gardeners and farmers, painters, mechanics and tyre repairers, warehouse workers, carpenters, joiners, process workers, gas station operators.
